

UK SAUSAGE WEEK

28th Oct - 3rd Nov 2019

Become a partner and maximise your exposure to the industry before, during and after the high profile annual UK Sausage week

It's back with a banger!!! Once again, butchers, manufacturers, retailers and trade associations in the UK will be promoting the great British sausage. This will include hosting their own sausage events, special promotions, new product launches, competitions and tastings to celebrate UK Sausage Week 28th October - 3rd November.

It's set to be another fantastic opportunity for the industry to get behind one of the nation's culinary delights, supported by Meat Management magazine. We kick the week off in the autumn with a celebration lunch at Plaisterers' Hall, London on 28th October to announce the competition winners.

How can we help you...

Michelle Ingerfield of Meat Management magazine is available to offer help and advice: "With some of the biggest names in meat manufacturing, processing, wholesaling and retailing involved, plus leading trade bodies, you will be in great company should you come on-board and work with us as a partner of UK Sausage Week 2019. It would be my pleasure to help and assist you in any way I can, so please give me a call for more information. The 2019 Awards will be another sell out, so don't delay contact us today".
